Little Promises Summer Camp

Our camps generate excitement and offer campers something to look forward to on a weekly basis. Our school works collaboratively to create a fun and interactive curriculum helping children to take advantage of all that summer offers. We explore on our very own 2 acres of property including our playground, garden and trails. We partner with the surrounding community as an extension of our camp for our weekly trips.

All campers will need to pack a healthy snack, drink and an extra water bottle. Full day campers should bring twice the amount. Please be certain that all their items are labeled as well.
